Fee Structure

I have familiarized myself with and understand and accept the Fee Structure of the School and I am aware of the additional costs as set out in the Fee Structure in this document. I am also aware and accept that additional costs not identified in the Fee Structure may be added to my school account.

I understand that all fees are payable in advance by the 5th of each month (term fees – 5th Jan, 5th April, 5th July, 5th Oct and annual fees – 1st February) except for afternoon aftercare which is payable in arrears.

I understand that my child will only be entitled to education if school fees are settled in full and on time and it is me that deprives my child of an education if school fees fall in arrears. I accept that my child will be excluded from school should school fees be outstanding. I further understand that as per the school's Debtors Policy, any outstanding fees on my school account must be settled in full at the beginning of each year, failing which my child may be excluded from the school.

I understand that cash deposits are NOT accepted into the schools bank account and that all bank charges associated with cash deposits will be for my account.

I understand that a penalty fee of R150 will be levied on accounts that are not paid by the due date.

I understand that there are no refunds for absence due to holidays, illness or suspension from the School.

I understand that no notice may be given in the preschool for half day or aftercare at the end of October/beginning of November for December.

I understand that I may not withhold fees from the School for any reason.

In the event that the School institutes an action against me for the payment of any amount due by me, I will be liable for all legal costs (including legal costs on the scale as between attorney and own client) incurred for the recovery of such amounts.

Termination of Enrolment

I agree to provide:

- **one full term's notice – in the Primary School (Grade 1 – Grade 7)**
- **one full month's notice – in the Preschool**

This will be done in writing in the event I decide to remove my child from the School. If less notice is given, or in the event that no notice is given, I understand that fees equal to 3 months (in the Primary School) and 1 month (in the Preschool) will be payable as Cancellation Fee.

In the following circumstances, the School may terminate the enrolment of a child with one month's notice and the parent will not be entitled to any refunds from the School:

- If the information requested by the School and provided by the parent/guardian proves to be materially false.
- If the parent/guardian is in breach of their obligation to pay their school account.
- If the parent/guardian fails to comply with the School's Policies & Procedures as set out in the Parents Handbook (a copy is issued to the parent/guardian of each child upon enrolment, at the beginning of each year and can be found on www.carnegiehouse.co.za)

- It is found that a parent did not disclose concerns such as physical, mental or psychological behavioural issues with regards to the child that the parent(s)/ guardian(s) may have been aware of prior to enrolment.

Termination of an Extra or Co-Curricula Service

If the numbers of children for after care, an extra- or co- curricula activity or any other activity offered by the School within or over and above tuition, are too few, the school reserves the right to terminate this service without prior consent from the parent/guardian.

Medical, Remedial, Therapy and /or Behavioural Intervention

I agree to address the concerns of the Principal and/or Directress concerning any medical, remedial, therapy and/ or anti-social behavioural issues that may arise with regard to the child. I also agree to share any medical, remedial, therapy and/or behavioural reports with the Principal. I further agree that I will not hold the school liable if I choose not to address the concerns of the Principal and/or Directress.

Insurance

It is the responsibility of the parent/guardians to take adequate insurance to cover any loss or damage to any property of the child or themselves.

Arbitration
